*\*\*The Clayton Ridge Youth Volleyball girls usually play in a league organized by the former Postville YMCA. With the current state of "everything" :, there is obviously some uncertainty of whether the league will even take place. At this time, we will not be requiring a fee to play volleyball because we don't even know if t-shirts or a league entry fee will need to be paid for. If we do end up getting to play in the league, we may ask for a fee from parents to cover our costs. Even if there is NOT a league, we would like the girls to have an opportunity to learn about volleyball and get some experience in the gym, even if it is only with practices and scrimmages with each other!*

As soon as we have coaching volunteers and we know how many girls want to play, we will get practices set up and contact you with further information. We would like to see practices begin around the same time as school starting. Practices will be held at the Garnavillo gym and the coaches will determine the times!
