Due to COVID-19, this season will look a little different than previous years, but we are excited to keep the kids involved in the sport of soccer. The start of the season is delayed to not coincide with the first couple weeks of school. All of the 1<sup>st</sup>-4<sup>th</sup> grade games will be played in Guttenberg on week nights, no travelling to Dyersville. Social distancing will be encouraged and equipment will be sanitized regularly, along with other strategies to allow the kids to play safely.

This soccer season will run from early September until early October. Practices will be held at the coach's discretion and all efforts will be made to work around other activities such as religion classes, football, etc. to ensure all children have the opportunity to attend all activities. Games are typically held during week nights. The registration fee is **\$25.00** and is due by **MONDAY, AUGUST 31**:
