

Clayton Ridge Eagles Athletic Booster Club

It's that time of year again where we prepare for Clayton Ridge Eagle Athletics. With that being said, the Booster Club is again asking for our community and business members to help us, so we can continue our long tradition of supporting our athletes.

With financial donations from our supporters we were able to purchase the following last year:

- * \$4,800 to team support
- * \$3,500 to individual and team camps
- * Photo Banners for ALL Senior Athletes
- * 2-\$500 Scholarships

We also contributed \$1,500 to the HUDL program for all sports. Here are a couple comments from coaches:

"HUDL is an essential tool for the boys' basketball program. It allows us to properly scout for upcoming games by exchanging films with opposing coaches, and we can make short video clips for our players to watch. We are also able to create a virtual playbook of our own plays. Players have access to the film at all times, and HUDL will also break down games for each individual. We are thankful for the Booster Club's support of this purchase." ~ Kyle Sperslage

"I have been using HUDL for a number of years for football and basketball. HUDL helps with scouting your opponents and breaking down film on them. It also helps with evaluations of your own team, and it shows them what they do right or wrong so they can improve. I use HUDL non-stop with football and girls' basketball. It also helps me with the stats for girls' basketball. With the purchase of HUDL assist this year I should be able to do more scouting of other teams and be more efficient because HUDL breaks down your film and does most of the work for you. I would like to thank the boosters in helping pay for HUDL." ~ Scott Kelly
