**SUMMER
ADVENTURES**

Join us this summer for ...

Summer Adventures are offered for youth
in grades **3-6**.

Programs that offer hands-on experiments, activities, games,
adventures, and **FUN!**

IOWA STATE UNIVERSITY
Extension and Outreach

Summer Adventure Days!

Invent Stem

Have you taken items apart and put them back together? This adventure will give you the chance to practice innovation, design, and engineering. There will be a variety of activities for you to build and deconstruct. This summer adventure gives you the opportunity to quest for what's next.

Science Detectives

Do you want to be a crime scene investigator or a detective? Get ready to investigate the crime scene for clues. We will use our own crime lab to conduct tests and follow the clues and other pieces of evidence to solve a crime. You and your fellow detectives will decide who did it.

Experience Clayton County

We will get an early start to our day at **8:00 am** and travel to see what makes Clayton County, Iowa so special. Our adventure begins in Elkader, and will end the day swimming at a city pool. What happens between here and there you will have to come along to find out where this adventure takes you. Space is limited. This summer adventure will end at **5:00 pm**. *Additional information will be sent to participants prior to the adventure. Notice the special start and end time for this summer adventure only.

NASA Astro Camp®

This is an opportunity to bring NASA STEM lessons to your community! The goal of Astro Camp® is to give all youth the chance to get involved in and experience Science, Technology, Engineering and Mathematics (STEM) -- and to inspire future astronauts and engineers to learn about space with NASA unique activities.

Slime Time

If you love slime this is the adventure for you. Learn the science behind slime making, and create bloody red slime and color changing slime. We will explore the many different kinds of slime you can make, play with, and take home with you.

Participants must bring a sack lunch and drink for the day.

A snack will be provided at each summer adventure.

Registration is due the week prior to each adventure day date. Space is limited to the first registered participants.

NOTICE: Your child is not registered until payment is received.

Each Participant will need their own registration.

*The fee for service is used to offset direct expenses and to support the Clayton County 4-H and Youth Programs.
