

**Policy 801.02: Buildings & Sites Surveys****Status:** ADOPTED**Original Adopted Date:** 10/11/05 | **Last Reviewed Date:** 12/11/2025

The board may engage the services of consultants or other personnel to study the needs of the school district's buildings and sites in providing the education program. The results of these services will be considered in planning the education program and in making decisions about the improvement and acquisition of additional buildings and sites.

It is the responsibility of the superintendent to make a recommendation to the board regarding the need for such services and who should perform such services for the board.
