

Athletic Gate Policy

The Clayton Ridge Board of Education believes in a positive experience for our fans and guests while attending athletic activities at our athletic fields and building facilities. Unlike students, adults may leave an athletic event at any time and return to the same event without a re-entry fee.

Students enter the gate only once. Exceptions must be approved by the administrator, or the administrator's designee, in charge of the event.

It shall be the responsibility of the administration to enforce this policy.
